

**Teens Like Me, Inc.**  
**Pledge- A- Job Campaign**  
[www.teenslikeme.org](http://www.teenslikeme.org)

Hello Prospective Partner Employer,

Teens Like Me, Inc. (TLM) is a charitable nonprofit organization that inspire teens to become actively engaged in community service. We do this by employing teens, ages 15-19, during the summer to work in nonprofit organizations and our Employers **pay nothing**.

We are preparing for 2012 with our Pledge - A - Job – Campaign.

Georgia Summer H.E.A.T (**Help. Employ. Ambitious. Teens**) is our once a year campaign in which we contact partner nonprofit organizations, seeking job placements.

This campaign gives you the chance to pledge a job and by pledging a job now, gives us insight on the number of summer job placements we will have to offer. Our teens begin selecting in January.

In return we offer summer help to you free of charge for up to 8 weeks, during June through August.

Our interns will help strengthen your business, cut cost for 8 weeks and...

**You pay NOTHING!**

Working with your organization, teens will learn new skills, build strong work habits, earn a summer income, and most of all, the teen will learn about giving back to their community. The funds paid act as reimbursement for transportation, meals, and other reasonable out of pocket expenses directly related to the TLM participation.

To match you with the best teen, TLM will meet any accommodations you request. The intern will work between 25-35 hours a week. We will pay each teen \$9.00 to \$10.00 per hour (depending on funding) and... **you pay NOTHING!**

This paid summer internship is funded totally through our charitable nonprofit organization.  
**Our internship is known by teens to be a highly competitive and prestigious program.**

We ask that you pledge a job or jobs for a teen and start the path to help your company save money. If you are interested in investing in our teens, reply or visit the website for further information at <http://www.teenslikeme.org> and then go to pledge a job of the Employer section. I look forward to hearing from you. Thank you for your time, participation and support.

Kind regards,

*Jeannie Collins*
